

- 1- Climate change causes sea level to
- a) need b) rise c) burn d) hide
- 2- The waves and currents in the sea can beaches
- a) draw b) burn c) grow d) erode
- 3- A..... is a huge iceflow that moves very slowly across the land
- a) flood b) erosion c) glacier d) drought
- 4- Heavy can cause erosion
- a) agricultures b) culture c) nature d) future
- 5- Erosion is a/ an process
- a) important b) natural c) good d) artificial
- 6- When chemical from air pollution mix with the water and sunlight it creates
- a) Tsunami b) rain c) flood d) acid rain
- 7- Drought happens when we don't have for a long time
- a) rain b) rocks c) stones d) sand

8- When the volcano exploded under the sea it create
..... a hug wave called

- a) landslide b) drought c) Tsunami d) flood

9- There is a water when people don't have enough
water

- a) page b) shortage c) edge d) age

10- We should slow erosion

- a) up b) in c) at d) down

11- The sphinx is made of

- a) limestons b) wood c) leather d) glass

12- We don't enough water

- a) has b) had c) have d) have been

13- During adrought rivers,lakes become

- a) cold b) dry c) cold d) hot

14- Acid rain also damage the sphinx

- a) can b) are c) have d) did

15- Heavy rain winds can cause erosion

- a) also b) so c) or d) because

- 1- Climate change causes sea level to
- a) need **b) rise** c) burn d) hide
- 2- The waves and currents in the sea can beaches
- a) draw b) burn c) grow **d) erode**
- 3- A..... is a huge iceflow that moves very slowly across the land
- a) flood b) erosion **c) glacier** d) drought
- 4- Heavy can cause erosion
- a) agricultures** b) culture c) nature d) future
- 5- Erosion is a/ an process
- a) important **b) natural** c) good d) artificial
- 6- When chemical from air pollution mix with the water and sunlight it creates
- a) Tsunami b) rain c) flood **d) acid rain**
- 7- Drought happens when we don't have for a long time
- a) rain** b) rocks c) stones d) sand

8- When the volcano exploded under the sea it create
..... a huge wave called

- a) landslide b) drought **c) Tsunami** d) flood

9- There is a water when people don't have enough
water

- a) page **b) shortage** c) edge d) age

10- We should slow erosion

- a) up b) in c) at **d) down**

11- The sphinx is made of

- a) limestons** b) wood c) leather d) glass

12- We don't enough water

- a) has b) had **c) have** d) have been

13- During adrought rivers,lakes become

- a) cold **b) dry** c) cold d) hot

14- Acid rain also damage the sphinx

- a) can** b) are c) have d) did

15- Heavy rain winds can cause erosion

- a) also b) so **c) or** d) because
